Attached is the draft engagement strategy I referenced during our tagup this morning. Ben has already reviewed it and he gave me a few comments. Senior leadership is currently reviewing it as well, but overall Karl has given us the green light to proceed with focused outreach to local government, especially St. Louis County council, St. Charles County council, and Bridgeton city council, as well as Earth City business park. Ben will need to work on planning and scheduling these outreach opportunities for September-October time frame.

If you have any comments or suggestions for the strategy, please let me know this week.  
Thanks.
